

Olivia Brooks

Associate

I'm an associate in the corporate team specialising in private M&A and venture capital investments.

Olivia advises founders at all stages of their company's life cycle and has experience in the life sciences, technology and education sectors, particularly in the development of new medical technologies.

She is actively involved in a number of EDI initiatives, including promoting female entrepreneurs and social mobility.

Legal Expertise

- Life sciences
- Early-stage investments
- Technology (including MedTech and EdTech)
- Search funds
